**Pastor Hamish Buntain**

**Pastor Hamish Buntain** For the last 10 years, Hamish Buntain has served as the Regional Ministry Leader of our provincial family of churches. For 26 years before that, he worked with the national leadership of our convention, and pastored in Alberta and British Columbia. Hamish loves God, his wife Cindy, and pretty much everyone he meets. His desire is to be God's friend and serve him well in every circumstance. He enjoys children, the outdoors, a good story, and working with his hands. He considers himself a bit of an expert in splitting wood and making kindling. He loves our church and looks forward to spending time with the saints who call Surrey Chinese Baptist their church home. He and Cindy currently live on Salt Spring Island.
